14th Scientific Conference on
MICROCONTAMINANTS IN HUMAN ENVIRONMENT
Organizing within the frame of 70th anniversary of Częstochowa University of Technology

Auspice
the Rector of Częstochowa University of Technology prof. dr hab. inż. Norbert Sczygiol
Section of Sanitary Engineering of the Committee on Civil Engineering and Hydroengineering
of Polish Academy of Science

Conference topics:
- sources of organic and inorganic microcontaminations in the environment and their content in waters, wastewater, sewage sludges, sediments, soils, wastes, air and food,
- the presence and determination of emerging contaminants (pharmaceuticals, personal care products-cosmetics, disinfection agents, preservatives, retardands and estrogenic microcontaminants in the environment,
- toxicity of micropollutants and their impact on organisms,
- analytics of micropollutants in environmental samples and food,
- fates, removal and degradation of microcontaminants in water, wastewater, sewage sludges and sediments as well as in gases and wastes in technological unit and integrated processes

All abstracts will be published in the Conference Proceedings edited by Częstochowa University of Technology Publishers. Furthermore, it is possible to publish article in Desalination and Water Treatment (DWT), IF 1,631 - listed in the JCR Journal Citation Report and Polish Ministry of Science and Higher Education Index (20 points). Authors have to pay additional publication fee (120 Euro) directly on account of DWT journal after obtaining two positive reviews and acceptance of the manuscript to be published using DWT system. The procedure is as follows:
- Sending registration to the conference on the organizing committee address together with the abstract and pointing out the scientific area of the journal that article will be assigned
- Preliminary qualification of the paper to be submitted to DWT-acceptance of scientific committee confirmed by an e-mail
- Conference fee (1800 PLN) the number account of the conference is given below
- Submission the paper using the instruction to authors of Desalination and Water Treatment journal available at the following website http://www.deswater.com/instructions.php

The authors are obligated to prepare their papers according to the instructions of DWT. Please pay a special attention to the scientific area of the journal and quality of English

Important information
1. Application of topics with indicating form of presentation (oral presentation/poster) and abstract submission of oral and poster presentation (one–page A-4) 15.03.2019
2. Full text submission 31.05.2019
3. Final application and payment of conference fee are required in order to start article procedure in the system of DWT as well in order to make hotel reservation 31.05.2019

The Conference fee 1800 PLN includes accommodation and food (2 days), conference brakes, participation in the conference, organizing costs, preparation and printing conference materials (abstracts).
Attention!
1. The participation in the Conference is required for publishing the proposed papers (one conference fee—one article in the journal).
2. The organizers reserve the rights to cover organizing costs in case of resignation of the participant.

Scientific Committee:
prof. dr hab. inż. Maria Włodarczyk-Makuła – Chair

prof. Miriam Balaban – Editor in Chief DWT
prof. dr hab. inż. January Bień
prof. dr hab. inż. Michał Bodzek
dr hab. Lidia Dąbek, prof. PŚw.
dr hab. inż. Lidia Dąbrowska, prof. PCz.
dr hab. inż. Mariusz Dudziak, prof. PŚl.
prof. dr hab. inż. Elżbieta Grabińska-Sota
dr hab. Szymon Hoffman, prof. PCz.
prof. dr hab. inż. Małgorzata Kacprzak
prof. dr hab. inż. Marian Kwietniewski
dr hab. inż. Sylwia Myszograj, prof. UZ
prof. dr hab. Maria Łebkowska
prof. dr hab. inż. Czesława Rosik-Dulewska
dr hab. Agata Rosińska, prof. PCz.
prof. dr hab. inż. Kazimierz Szymański
prof. dr hab. inż. Józefa Wiater
dr hab. inż. Ewa Wiśniowska, prof. PCz
dr hab. inż. Małgorzata Wolska, prof. PW
prof. dr hab. Monika Załęska-Radziwiłł
dr hab. inż. Monika Żubrowska-Sudol, prof.PW

Organizing Committee:
prof. dr hab. inż. Maria Włodarczyk-Makuła, tel. 34-32-50-919
dr hab. Inż. Lidia Dąbrowska, prof. PCz. Tel. 34-32-50-496
dr inż. Agnieszka Popenda tel. 34-32-50-909
Bogusława Grzybek tel. 34-32-50-496
Marek Makuła tel. 34-32-50-364

Conference media partner: journal
LAB - Laboratoria, Aparatura, Badania [http://www.lab.media.pl]; [http://www.labportal.pl/]

Please send the correspondence to the Conference office:

Marek Makuła
Department of Chemistry, Water and Wastewater Technology
Faculty of Environmental Engineering
